representatives of all employees of the Employer in covered classifications. The employees and Unions covered under this Master Agreement and the various Supplements, Riders and Addenda thereto shall constitute one (1) bargaining unit.

(b) When the Employer needs additional employees, it shall give the Union equal opportunity with all other sources to provide suitable applicants, but the Employer shall not be required to hire those referred by the Union.

If employees are hired through an employment agency, the Employer shall pay the employment agency fee, if any, due from the employee. However, if the Union has been given equal opportunity to furnish employees, as provided herein, and if the employee is retained through the probationary period, this fee need not be paid until the thirty-first (31st) day of employment, except as otherwise provided in the Local Union Supplements, Riders and Addenda.

Section 3. Dues Checkoff and Joint Dues Committee

The Union and the Employer will establish a Joint Dues Committee to review the deduction and remittance of union dues. This Committee is charged with the responsibility of ensuring that dues are accurately deducted and remitted in a timely manner to the Local Unions. It is anticipated that this Committee shall serve as a source of continuing study regarding the most efficient, accurate, and expeditious deduction and payment of dues, including exploring electronic solutions. The Union and the Employer will establish procedures for the operation of this Committee.

7/26/2023

No existing bargaining unit employee currently performing work in the payroll department will be laid off or suffer a loss of their current payroll type position as a result of this Section.

The Employer agrees to deduct from the pay of all employees covered by this Agreement the initiation fees, dues and/or uniform assessments of the Local Union having jurisdiction over such employees. The Local Union will provide the Employer a weekly amount to be deducted from each employee. The Local Union will individually specify the weekly amount to be deducted for initiation fees, union dues and/or assessments. For initiation fees and assessments, the Local Union will notify the Employer the number of weeks these deductions are to be taken from the employee. Notification of deductions to be made by the Employer for the benefit of the Local Union must be received at least one (1) month prior to the date the deduction is to be made. The obligation of the Local Union to provide this information shall be satisfied by the transmission of a computer file in mutually agreeable format. The Employer shall deduct the weekly dues from each vacation week. This will be implemented within six (6) months of ratification of this Agreement.

The Employer shall make no deductions that are not listed on the Local Union's monthly or weekly checkoff statement in those locations which send a checkoff statement to the Employer. In the event the Employer improperly deducts too much dues money, the amount improperly withheld shall be remitted to the involved employee(s) on the second (2nd) scheduled workday following notification to the Employer. The Local Union(s) shall return any overpayment(s) to the Employer within one (1) week following written notification from the Employer.

The Employer will provide a remittance to the Local Union within fifteen (15) days following the check date the deduction was taken. With each remittance, the Employer shall submit a report, by center and/or sort, listing all employees alphabetically with their social security number and job classification. For those employees who had no deduction for the week, the Employer will provide a reason. In the event the Local Union does not want to receive a weekly remittance, the Employer will provide a monthly remittance by the fifteenth (15th) day of the following month. However, if this option is chosen, the Employer will still make weekly deductions as described above.

The Employer will provide a list of peak season employees to the Local Union. The Company agrees to honor the dues checkoff cards for peak season employees.

Where law requires written authorization by the employee, the same is to be furnished in the form required. **Following ratification of this Agreement, the Joint Dues Committee will meet to adopt a standard, electronic membership and dues checkoff form approved by the International Union that will be included as part of the Company's application and orientation processes. The Joint Dues Committee will also meet to adopt an acceptable digital platform and methods for the collection, storage, and distribution of the electronic membership and dues checkoff forms. Electronic membership and dues checkoff forms can only be**

implemented upon agreement of the Joint Dues Committee. No deduction shall be made which is prohibited by applicable law.

Any Local Union shall have the option of monthly deductions with monthly remittance on or before the fifteenth (15th) day of the same month.

On written request of the employee, payroll deductions will be made to purchase U.S. Savings Bonds for said employee.

The Employer agrees to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to DRIVE. DRIVE shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from ~~his/her~~ **their** paycheck on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The Employer shall transmit to DRIVE National Headquarters on a monthly basis, in one (1) check, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's Social Security number and the amount deducted from that employee's paycheck. The International Brotherhood of Teamsters shall reimburse the Employer annually for the Employer's actual cost for the expenses incurred in administering the weekly payroll deduction plan.

The Employer agrees to deduct certain specific amounts each week from the wages of those employees who shall have given the Employer written notice to make such deductions. The Employer will remit amounts deducted to the applicable credit union once each week. The amount so deducted shall be remitted to the applicable credit union once each month or weekly. The Employer shall not make deductions and shall not be responsible for remittance to the credit union for any deductions for those weeks during which the employee's earnings shall be less than the amount authorized for deductions.

In the event the Employer has been determined to be in violation of this Article by a decision in the grievance procedure, and if such Employer subsequently is in violation thereof after receipt of seventy-two (72) hours' written notice of specific delinquencies, the Local Union may strike to enforce this Article. However, such strike shall be terminated upon the delivery thereof. Errors or inadvertent omissions relating to individual employees shall not constitute a violation.

Section 7. Supervisors Working

(a) The Employer agrees that the function of supervisors is the supervision of Employees and not the performance of the work of the employees they supervise. Accordingly, the Employer agrees that supervisors or other employees of the Employer who are not members of the bargaining unit shall not perform any bargaining unit work, except to train employees or demonstrate safety, or as otherwise provided in the applicable Supplement, Rider or Addendum. However, in the case of Acts of God, supervisors shall comply with the procedures in subsections (b) and (c) and may only perform bargaining unit work until bargaining unit employees are available. The Employer shall make every reasonable effort to maintain a sufficient workforce to staff its operations with bargaining unit employees. The Employer also agrees that supervisors or other employees of the Employer who are not members of the bargaining unit shall not perform bargaining unit work in preparing the work areas before the start of the Employer’s hub, preload or reload operation, nor shall the Employer send any bargaining unit employee home and then have such employee’s work performed by a supervisor or other employees of the Employer who are not a member of the bargaining unit.

(b) When additional employees are necessary to complete the Employer’s operations on any shift or within any classification, the supervisor shall exhaust all established local practices to first use bargaining unit employees including where applicable, double shifting, early call-in, and overtime.

(c) If there is no established local practice, the following shall apply with regard to inside work. Within each building, each operation will maintain appropriate list(s), by seniority, of those part-time employees requesting coverage work. It will be the employees’ responsibility to sign up on the appropriate list. The Company shall post such lists and employees who are interested in adding their names to the lists shall do so on the first working day of each month. It will be the employee’s responsibility to make sure ~~his/her~~ **their** contact information is correct. Employees who are unavailable to work on three (3) separate occasions within a calendar month shall have their names removed from the coverage list. Those employees shall be eligible to re-sign the list the following month. When coverage work is available, the Company will use the appropriate list to fill the required positions, and such employees will work as assigned. The employee must be qualified for the available work and double shift employees shall have seniority among themselves. No employee is allowed to work more than two (2) shifts in any twenty-four (24) hour period. Local call verification practices and procedures shall remain in place.

Nothing contained in this Section shall change existing practices or procedures covering full-time work.

(d) If it is determined at any step of the grievance and/or arbitration procedure that this Section, or a “supervisor working” provision in a Supplement, Rider or Addendum, has been violated, the aggrieved employee will be paid as follows: (i) if the actual hours worked by the supervisor amounts to two (2) hours or less, the aggrieved employee will be paid for the actual hours worked by the supervisor at the rate of double time the employee’s rate of pay at the time of the incident; or (ii) if the supervisor works more than two (2) hours, the aggrieved employee shall be paid four (4) hours at straight time or actual hours worked at double time the employee’s rate of pay at the time of the incident, whichever is greater. If no aggrieved employee can be identified, the payment will be made to the grievant. Such remedy shall be in addition to any other remedies sought by the Union in the appropriate grievance procedure.

If a Supplement, Rider, or Addendum does not have a provision requiring notice to the steward when a supervisor works the following shall be incorporated: “In the event a supervisor does perform bargaining unit work, the Employer shall notify the appropriate shop steward as soon as possible.”

In the event that any individual supervisor is found to be in violation of the first paragraph of this Subsection three (3) times in any nine (9) month rolling period, the grievance shall be paid at ~~triple~~ **quadruple** time the employee’s rate of pay for the hours specified in the first paragraph of this subsection.

Section 4. Technological Change

1. Technological change shall be defined as any ~~significant~~ **meaningful** change in equipment or materials which results in a ~~significant~~ **meaningful** change in the work, **wages, hours, or working conditions** of any classification of employees in the bargaining unit or diminishes the number of workers in any classification of employees in the bargaining unit. ~~Such changes could include, but are not limited to, the use of drones or driverless vehicles to transport, deliver or pick up packages, or platooning.~~ **During the term of this Agreement such changes shall not include the use of drones or driverless vehicles to transport, deliver or pick up packages, platooning or shifting but in the event the Employer desires to implement any change described in this sentence, it shall be required to notify the National Negotiating Committee six (6) months in advance of any such change and shall be required to bargain the effects of any such change. If no agreement is reached between the parties the matter shall be resolved under Article 8.**

2. The Employer and the Union agree to establish a National Teamster/UPS Committee for Technological Change, consisting of an equal number of representatives from the Union and UPS. Further, the Employer will review any training required for bargaining unit employees to perform new or modified work generated as a result of the new technology or to utilize the new technology, as necessary.**

3. The Employer will ~~shall~~ **shall simultaneously** advise the affected Local Unions and the National Teamster/UPS Committee for Technological Change of any proposed technological changes when the change has entered the field testing phase or at least six (6) months prior to the implementation of such change except where the change was later determined in which case the Employer shall provide as much notice as possible. In all cases, the Company will provide notice of any technological change covered by this Section before the technology is implemented. **The Employer agrees that prior to any change, it shall notify the Package Division and the affected Local Union(s) in writing with the specific details and information then available and then meet jointly with them to inform them of the proposed changes and to resolve questions raised in connection with the effects of the proposed change. The information will be provided at least forty-five (45) days prior**

to the meeting. During this joint meeting the Employer and the Union shall reduce to writing all agreed upon issues and both parties shall sign the written document in acknowledgement of such agreement. The parties shall also reduce to writing all unresolved issues, if any, and they shall be referred directly to the National Teamster/UPS Committee for Technological Change. This meeting shall be completed where practical at least forty-five (45) days prior to the implementation of the proposed change. The change may not be implemented until the forty-five (45) days' notice is provided and the meeting is completed unless the change is dictated by emergency conditions. The Union shall not unreasonably delay the scheduling or completion of the requested meeting. Any unresolved issues which have been reduced to writing, will be resolved pursuant to Article 8.

~~4. The Employer shall be required to provide the National Teamster/UPS Committee for Technological Change, any relevant information to the extent available regarding the technological changes.~~

~~5. The Employer will meet with the National Teamster/UPS Committee for Technological Change, promptly after notification to negotiate regarding the effects of the proposed technological changes.~~

~~The Technological Change Committee shall also have the right to raise and attempt to resolve any claim that the Company's technological change violates any provision of the National Master Agreement or the applicable Supplement, Rider or Addendum.~~

4. If a technological change creates new work that replaces, enhances or modifies bargaining unit work, bargaining unit employees will perform that new or modified work. The Employer shall provide bargaining unit employees with training required to utilize the new technology, if necessary.

~~6. In the event that the National Committee cannot reach agreement on the dispute, either party may refer all outstanding disputes to the National Grievance Committee for expedited resolution in accordance with the provisions of Article 8 in order to determine if the Employer has violated the provisions of this Section or if the change will result in a violation of any other provision of the collective bargaining agreement.~~

~~7.5.~~ This Section shall supersede any Supplemental, Rider or Addendum provision on the same subject.

Section 5. Hourly Training

1. It is agreed that Teamster represented employees, on a voluntary basis, may train other employees. UPS reserves the right to choose to use or not to use Teamster represented trainers to fulfill its training needs.

7/26/2023

2. Trainers shall be paid a ~~fifty cents (\$.50)~~ **one dollar (\$1.00)** per hour training premium for each hour spent training.

3. Drivers training helpers, in accordance with Supplemental Agreements, and two (2) on the car rides for the purpose of route knowledge shall not be entitled to the training premium.

4. The parties shall establish a National Training Committee. The Committee shall be empowered to hear and resolve any disputes that may arise over these issues. Unresolved disputes will be subject to the National Master Grievance Committee.

5. Each Supplemental area shall meet and agree or continue existing agreements on the details of the application of this agreement in their area in accordance with Supplemental language. Other issues left for resolution at this level include, but are not limited to, the minimum qualifications for trainers, if any, the number of hours to be worked by the trainer, and the application of Supplemental language concerning compensation for work performed in higher classifications. Disputes shall be resolved in accordance with paragraph ~~34~~.

6. Trainer selection and assignments to on the job training will be done in accordance with supplemental seniority provisions, providing the trainers have the necessary qualifications and skills for the job.

7. The training records that a Teamster represented trainer can be required to complete for drivers, are those previously agreed to by the parties. If the Employer wishes to amend these forms, it will first meet and agree with the National Training Committee. Such agreement will not be unreasonably withheld. No training record or verbal report by the trainer will be relied upon to discipline any employee or to evaluate any seniority employee's performance.

8. If a trainer is removed from the qualified list by the Employer, that employee and the Local Union shall have access to the grievance procedure. If the Union establishes that the removal was not for just cause, the grievant shall be reinstated **and shall be entitled to any lost training premium the trainer would have earned.**

9. No trainer shall be required to train in any method which violates the Collective Bargaining Agreement.

10. Teamster represented trainers will not be permitted to ~~perform~~ **discipline an employee** or recommend disciplinary action.

12. Employees to be retrained, after qualifying in their classification, and seniority employees scheduled for safety rides, may request that a non-bargaining unit employee perform that training, in lieu of a Teamster represented trainer. Such requests will be honored.

13. Trainers will not be held liable for auto accidents incurred by the trainee.

Section 6. Technology and Discipline

No ~~driver~~ **employee** shall be ~~discharged~~ **disciplined** based solely upon information received from GPS, telematics, or any successor system that similarly tracks or surveils ~~an driver's~~ **employee's** movements unless ~~he/she engages~~ **they engage** in dishonesty (defined for the purposes of this paragraph as any intentional act or omission by an employee where ~~he/she intends~~ **they intend** to defraud the Company). A driver's failure to accurately recall what is reflected by the technology shall not by itself be considered dishonesty. The Company must confirm by direct observation or other corroborating evidence any other violations warranting discharge. The degree of discipline dealing with off-area offenses shall not be changed because of the use of the above-mentioned systems.

No ~~driver~~ **employee** shall be issued a warning notice based solely upon the above-mentioned systems without first having a verbal counseling session on an identical infraction (e.g. two seat belt violations). Any such discipline shall also comply with applicable Supplemental disciplinary procedures and requirements.

Vehicles may not be equipped with inward-facing cameras. Forward-facing capability of cameras shall not be used for discipline. Further, there shall be no in-cab audio recording or videotaping. Any functionality included in driver-facing cameras (including their driver recording and monitoring functionality) will be disabled and rendered inoperable to prevent recording and monitoring of in-cab activities. Upon request, evidence of the disabled functionality of any driver-facing camera shall be provided to the Package Division. Driver-facing sensors will only be used for the purpose of triggering in-cab audible alerts related to distracted driving and for the purpose of identifying coaching/counseling opportunities related to the same during Integrad or the thirty (30) day driver qualification/probationary period. Driver-facing sensors will not be used for any purpose during any phase of a disciplinary process or be the sole basis for disqualifying a driver during the thirty (30) day period.

The Company acknowledges that there have been problems with the utilization of technology in the past. Therefore, at the request of the Union's Joint National Negotiating Committee Co-Chair a meeting will be scheduled with the Company Co-Chair to discuss any alleged misuse of technology for disciplinary purposes and what steps are necessary to remedy any misuse.

Within sixty (60) days of the ratification of this Agreement the Employer shall provide the International Teamsters Union a report detailing and identifying the full-time jobs which will need to be maintained pursuant to this paragraph.

Section 4.

~~Section 4. (a)~~

Part-time employees shall be given the opportunity to fill full-time jobs before hiring from the outside on a six for-one basis (six (6) part-time to every one (1) outside hire).

The following will be incorporated into the job selection procedures in the applicable Supplement, Rider or Addendum:

The Employer will fill all vacancies and permanent new jobs for part-time employees from the part-time selection list in all months except November and December.

Part-time employees with six (6) months or more seniority shall have the right to place their name on the list of employees waiting to be moved to a preferred job within their building. Such preferred jobs shall include, but not be limited to: Preload, Sorter, Clerical, Irregular Train, Designated Responder, Carwasher, Loader and Unloader. Employees do not have the right to select any specific unit, load or workstation unless a prior past practice has been established.

Part-time employees with less than six (6) months seniority shall have the right to bid a preferred job prior to the Employer hiring from off-the-street.

A maximum of twenty-five percent (25%) of the employees on a shift shall be allowed to change shifts in any one (1) calendar year. The employee obtaining the new position shall remain on that shift for at least six (6) months.

~~Section 4. (b). Full-Time Combination Drivers~~

~~All existing regular full time package car drivers (RPCD) shall be considered RPCD drivers for the purpose of this Section. The Union and Company commit to protect existing RPCDs from being scheduled or forced to perform weekend delivery work and increasing the number of full time opportunities for part time employees. To achieve these objectives, the Company may create full time 22.4 combination driving jobs. Such jobs may include inside work. In the event the Company utilizes this classification, the following shall apply only to those buildings that include Saturday or Sunday delivery.~~

~~1. The number of RPCDs working a Monday through Friday schedule in each building, shall be verified and agreed to by each~~

~~Local Union and the Company Labor Representative, as of August 1, 2018 and shall be protected jobs. "Protected jobs" shall include RPCDs that will continue to be replaced by employees covered under Article 41, Section 2. In the event the Company does not begin Saturday or Sunday delivery at a building until after August 1, 2018, the number of RPCD jobs in existence at the time of implementation shall be included as "protected jobs." A copy of the verification shall be given to the Package Division and to Corporate Labor. Any disputes shall be determined no later than the October 2018 National Grievance Panel by the Director of the IBT Package Division and the President of Corporate Labor or their designee(s).~~

~~RPCDs working a Monday through Friday schedule shall be guaranteed five (5) consecutive days of eight (8) consecutive hours per report and forty (40) straight time hours of straight time pay each week, if reporting each day as scheduled, as long as work is available.~~

~~Those RPCDs currently working Tuesday through Saturday shall be red circled by name and shall continue to be covered under Article 41, Section 2.~~

~~2. It is the commitment of the parties that RPCDs work a Monday through Friday schedule. To that end the parties agree that all RPCDs currently working a Tuesday through Saturday schedule will transition to a Monday through Friday schedule as soon as practicable, within eighteen (18) months of ratification. The Company shall have an additional six (6) months for drivers hired directly into a Tuesday through Saturday schedule.~~

~~3. The number of protected RPCD jobs in each building as outlined in this Article 22.4 (1) above, shall be guaranteed from replacement by 22.4 combination drivers or from any part time drivers as allowed by any Supplement, Rider or Addendum. In the event a protected job moves to another building or jurisdiction as a result of a change of operations or otherwise, the protected status shall follow the job. The number of 22.4 combination drivers shall not exceed twenty five (25%) of the total number of RPCDs in the building. If the amount of regular Saturday or Sunday volume in a building consistently requires RPCD drivers to work Saturday or Sunday because of the twenty five percent (25%) limit, the Package Division Director and UPS President of Labor Relations shall be allowed to adjust the limit based on demonstrated service need.~~

~~4. No RPCD shall be laid off or displaced from the classification while 22.4 combination drivers are working in the building.~~

~~5. All 22.4 combination drivers shall be guaranteed eight (8) consecutive hours of straight time pay per day, if reporting as scheduled. All 22.4 combination drivers shall work a five (5) consecutive day schedule of Tuesday through Saturday or Wednesday through Sunday. This paragraph shall supersede any Supplement, Rider, or Addendum on the same subject.~~

7/26/2023

~~6. When the new job includes inside work, the Company shall be entitled to establish up to a one and one half hour (1.5) gap, to include the meal period, between jobs in a workday. All other working conditions not set forth herein, including, but not limited to, the work available for combination with driving, bidding procedures, holidays, vacations, etc. shall be set forth in the Supplements, Riders and Addenda.~~

~~7. 22.4 Combination drivers shall be paid in accordance with Article 41.4.~~

~~8. In the event the Company needs additional staffing to cover Saturday or Sunday ground deliveries, such work shall first be offered to RPCDs as set forth above, then to Article 22.4 combination drivers on their scheduled off day, then to part time utility/cover/casual employees as permitted in the Supplement, Rider or Addendum. If sufficient volunteers are not obtained, the Company may force in reverse order in accordance with the applicable Supplement, Rider or Addendum.~~

~~9. No 22.4 combination driver shall be required to complete more than one (1) qualification period or progression. Any 22.4 combination driver in progression who successfully bids any other full-time position shall slot in at the appropriate rate for the classification.~~

~~10. In the event a protected RPCD position becomes available, it shall be filled in accordance with the Supplement, Rider or Addendum, provided, however that no RPCD position shall be filled by an outside hire unless the job remains unfilled after exhaustion of the applicable bidding procedure.~~

~~11. Newly created 22.4 combination driver positions shall count toward the newly created 22.3 jobs required by this Agreement.~~

~~12. Article 37, Section 1 (b) and (c) shall not apply to 22.4 combination drivers. In those buildings in which the Company creates 22.4 combination jobs to cover weekend deliveries, Article 37 Section 1 (c) 9.5 protections shall apply to all seniority RPCDs regardless of the route they hold or number of years of seniority.~~

Sections 5. Wages

(a) Part time Employees

~~(1) All part-time employees who have attained seniority as of August 1, 2023~~18~~ will receive the following general wage increases for each contract year. but will in no case receive less than the hourly start rate specified on August 1st 2018-2022 as set forth in b. below. The total wage increase for each year will be as follows:~~

~~2018 — seventy cents (\$0.70)~~

~~2019 — seventy five (\$0.75)
2020 — eighty cents (\$0.80)
2021 — ninety cents (\$.90)
2022 — one dollar (\$1.00)~~

~~2023 two dollars and seventy-five (\$2.75)~~

~~2024 seventy-five cents (\$0.75)~~

~~2025 seventy-five cents (\$0.75)~~

~~2026 one dollar (\$1.00)~~

~~2027 two dollars and twenty-five cents (\$2.25)~~

~~(2) Any seniority part-time employee below twenty-one dollars (\$21.00) after the application of the general wage increase shall be raised to the minimum of twenty-one dollars (\$21.00) and shall thereafter be eligible for the above general wage increases and the one-time longevity increase below.~~

~~(3) After application of the GWI and the minimum twenty-one dollar (\$21.00) rate, the following one-time longevity increases shall become a part of the applicable employee's base wage rate, based on their original hire date:~~

~~Five (5) up to ten (10) years of service (YOS)-fifty cents (\$0.50) per hour~~

~~Ten (10) up to fifteen (15) YOS—one dollar (\$1.00) per hour~~

~~Over fifteen (15) YOS-one dollar and fifty cents (\$1.50) per hour.~~

~~The applicable longevity increase will be applied for each eligible employee on August 1, 2023.~~

~~For example, if an employee's date of hire is August 1, 2002, effective August 1, 2023 the employee will receive the two dollar and seventy-five cent (\$2.75) general wage increase and the one dollar and fifty cent (\$1.50) per hour longevity wage increase based on the accrued twenty-two (22) years of service.~~

(b) Newly hired part-time employees

~~In recognition of the fact that all of the Company's part-time jobs require skills and to eliminate the two (2) tier progression existing in prior contracts, the parties have agreed to establish one uniform hourly rate for part-time employees who would have been subject to a progression. As such, aAll part-time employees, who are hired or reach seniority after August 1, 2023~~18~~ will be paid according to the following progression wage schedules:~~

~~August 1, 2018 — \$13.00~~

~~August 1, 2019 — \$14.00~~

~~August 1, 2020 — \$14.50~~

~~August 1, 2021 — \$15.00~~

~~August 1, 2022 — \$15.50~~

~~Twenty-four (24) months \$22.00~~

7/26/2023

<u>Thirty-six (36) months</u>	<u>\$22.50</u>
<u>Forty-eight (48) months</u>	<u>\$23.00</u>

The start rate for part-time employees hired after August 1, 2027 shall be increased to twenty-three dollars (\$23.00). Employees already in progression shall be raised to twenty-three dollars (\$23.00) on August 1, 2027.

(c) The wage rates and increases provided in (a) and (b) shall be a minimum.

(d) All part-time employees governed by this Article shall be provided a minimum daily three and one-half (3-1/2) hour guarantee.

(e) Seniority part-time employees who are receiving an hourly rate higher than set forth above in Section (b), as a result of a Market Rate Adjustment, shall not have their hourly rate reduced due to the implementation of this Article.

Section 6. Part-Time Employee Transfer

Part-time employees who wish to transfer to another location for educational purposes may submit a written request to the Employer. **In addition, part-time employees who wish to transfer to another location for non-educational purposes may submit a written request to the Employer provided the facilities in question are more than fifty (50) miles apart. If approved, the transfer shall be allowed subject to the following conditions:**

- A. A part-time opening exists at the desired location.
- B. Employees must have attained seniority and been employed by the Employer for at least one (1) year.
- C. Job Classification Seniority shall be end-tailed.
- D. Company seniority shall be retained for the purpose of number of weeks of vacation, and number of holidays in accordance with the applicable Supplement at the new location.
- E. Any expenses, including moving expenses associated with an approved transfer, shall be the responsibility of the employee.

F. It is the Employee's responsibility to verify all benefits including, but not limited to, medical, dental, vision, retiree's medical coverages and pensions at the requested transfer location.

G. The Employer shall be required to notify the Local Union that has jurisdiction over the requested transfer location that the employee has been transferred to that location.

ARTICLE 26. COMPETITION

Section 1.

The Union recognizes that the Employer is in direct competition with the United States Postal Service and other firms engaging in the distribution of express letter, parcel express, parcel delivery, and freight, both air and surface. In order to meet that competition and thereby protect and, if possible, increase the number of bargaining unit jobs, it is agreed that any provisions in this Agreement to the contrary notwithstanding, the Employer:

- (a) may use substitute means of transportation (such as airplane, helicopter, ship or T.O.F.C.) in its operations; provided, however, that no feeder driver with more than three (3) years of seniority in the feeder driver classification will be laid off or displaced from a feeder classification as a result of a run being placed on the rail. However, the Employer shall not be required to remove loads from the rail to provide work for employees whose ground loads were eliminated or temporarily discontinued. Any claimed abuse of this Section by any of the Local Unions shall be subject to immediate review by the National Grievance Committee.

Merchandise that has been tendered by United Parcel Service to the railroad and moved by T.O.F.C. will not subsequently be moved by the railroad, on the ground, to its final destination. Any exception to the above language will be in cases of an emergency or cases where the railroad must ground the merchandise early to meet the company's service commitment. In these cases, every effort will be made to use UPS employees. The destination Local Union will be notified if UPS employees cannot be used.

In order to expand the work opportunities for members of the bargaining unit, the Employer will consider removing additional loads from the railroad or the other substitute means of transportation specified in this Article. When the Employer

7/26/2023

removes loads on other than a temporary basis, it shall notify the Union of the number of new runs to be created as a result of moving such loads on the ground. **After ratification of this agreement, the Company may bring service enhancement projects to the Premium Services Committee for review and approval. The Company may not implement any proposed enhancements without the approval of the Premium Services Committee. Agreement on plans shall not be unreasonably withheld.**

Temporary shall be limited to ~~one (1) year~~ **six (6) months** unless there are circumstances beyond the Company's control. The ~~one (1) year~~ **six (6) month** period will not be exceeded unless the UPS President of Labor Relations and Package Division Director mutually agree. Agreement will not be unreasonably withheld. The Employer and the Union shall agree on the most expeditious method to obtain additional personnel and/or equipment, if necessary, for the new runs to be operated by bargaining unit members. If the equipment or employees are not available, the Employer may use subcontractors for a reasonable start-up period, not to exceed thirty (30) days. The subcontracting can exceed thirty (30) days with the Union's agreement if there are problems obtaining additional personnel or equipment. Agreement under this paragraph will not be unreasonably denied by the Union. All feeder positions created as a result of returning loads to the ground shall be counted toward the Employer's obligation to create full-time jobs under Article 22.3 of this Agreement.

Bargaining unit employees will move scheduled T.O.F.C. loads from the rail yards to UPS locations except during peak season.

During peak season, the Employer will make every reasonable effort, in accordance with the appropriate Supplement, Rider or Addendum, to use current UPS employees and hire a sufficient number of employees to handle peak volume. After doing so, the Employer may use alternate means of transporting packages during peak season and will utilize union carriers whenever possible. Plans to utilize outside carriers will be reviewed and agreed with the Local Union. Such agreement will not be unreasonably withheld.

No seniority feeder driver will be removed from ~~his~~ **their** bid run at Peak and have that same route covered by an outside trucking carrier. Rescheduled routes which may be covered by an outside carrier will only occur if necessary to protect service.

UPS shall provide its plan to the affected Local Union by October 15th of each year. This shall not preclude UPS from making subsequent alterations to the plan which shall also be reviewed with the Union.

The Company will establish designated areas year-round for outside carriers to drop-off and pick-up their designated loads and shall review those areas with the Local Union.

Outside carriers shall only remain on property in the designated areas for a reasonable amount of time, not to exceed one (1) hour after their arrival time. From the Monday prior to Thanksgiving until December 30th, outside carriers shall not exceed four (4) hours on property. If a contractor exceeds the timelines, they must leave the UPS property. All outside carriers shall adhere to UPS safety regulations and local yard rules. Any violations of these regulations and rules will be addressed immediately by management. This language will not supersede any superior benefit or agreement in any Supplement, Rider or Addendum.

No package car driver shall be forced to use ~~his or her~~ **their** personal vehicle to deliver packages.

(b) may drop loaded or empty trailers at locations designated by it, its customers or consignees for customer or consignee loading or unloading. It is understood that customers and consignees will not move trailers for loading and/or unloading other than on their premises. It is further understood that dropping and picking up these trailers shall be done by members of the bargaining unit.

(c) All loading and unloading of dropped shipments at UPS locations will be done by UPS bargaining unit employees.

(d) The Employer may not subcontract work within a local union's feeder jurisdiction for the purpose of avoiding overtime. The Employer may not subcontract work in the feeder classification if any employee on the applicable feeder board who is qualified to perform such work is available to cover the work, is displaced from the classification, or is on layoff.

(e) The Employer may transition to a seven (7) day delivery operation at locations that currently only utilize five (5) or six (6) day operations. The Employer agrees that prior to any transition to a seven (7) day operation, it shall notify the Package Division and the affected Local Union(s) in writing with the specific details and information then available and then meet jointly with them to inform them of the proposed change and to resolve questions raised in connection with the effects of the proposed change. During the joint meeting, the Employer and the Union shall reduce to writing all agreed upon issues and both parties shall sign the written document in acknowledgment of such agreement. The parties shall also reduce to writing all unresolved issues, if any. This meeting shall be completed where practical at least forty-five (45) days prior to the implementation of the seven (7) day operation. The seven (7) day operation may not be implemented until the forty five (45) days' notice is provided and the meeting is completed. The Package Division and the affected Local Union(s) shall not unreasonably delay the scheduling or completion of the requested meeting. Any unresolved issues which have been reduced to writing, will be resolved pursuant to Article 8.

7/26/2023

(f) Notwithstanding any Supplement, Rider or Addendum, the provisions in this Section 1(f) shall apply to Peak delivery operations where employees utilize their personal vehicles.

Existing part-time employees shall be allowed to sign an interest list between August 15th and September 15th each year to perform this work between November 1st and the end of the seasonal period in the applicable Supplement, Rider or Addendum. Existing part-time employees who have signed the intent list shall perform work covered by this Section before the new hires referenced below. Existing part-time employees who have signed the intent list shall be offered the work opportunities in accordance with the provisions of the applicable Supplement, Rider or Addendum.

Part-time employees shall be paid their inside rate or the RPCD start rate, whichever is higher. Part-time employees performing their inside job and seasonal package deliveries using their own vehicle shall have an eight (8) hour daily guarantee, but shall be obligated to complete their inside job in addition to performing seasonal support work. Prior to offering the work covered by this Section, existing Temporary Cover drivers and other similar part-time cover classifications (e.g., regular, temporary or utility drivers) shall, however, maintain the first right to perform this delivery work in accordance with the terms of the applicable Supplement, Rider or Addendum.

If Peak delivery needs are not met by existing part-time employees or cover drivers, the Employer may hire seasonal support drivers who use their personal vehicles to deliver packages between November 15th and December 26th each year. Seasonal support drivers will be part-time seasonal hires, W-2 employees and Union members in accordance with Article 3, Section 2. The Union shall be provided access to these employees for the purpose of encouraging them to join the Union. These employees will receive a three (3) hour daily guarantee. Such employees shall be entitled to all privileges and benefits that may be provided in the applicable Supplement, Rider or Addendum.

Both existing and Seasonal Support Drivers covered by this Section shall be reimbursed at the applicable IRS rate for all miles driven to perform deliveries and be provided insurance coverage for their vehicle while performing work.

In no event shall the implementation of this Section serve to diminish the overtime opportunities for RPCDs not using the protections of Article 37, Section 1(c) as of September 1st of that year, or alter bid delivery area routes for RPCDs.

Section 2.

A Joint UPS/IBT Competition Committee shall be created with an equal number of Employer and Union representatives. The

Committee shall meet upon written request by either party for the purpose of discussing and evaluating proposals which, if adopted by the Committee, could create additional bargaining unit jobs, enable the Employer to more effectively compete with other companies, implement new services and products, or change existing services. Nothing within this provision or Agreement shall require the Employer to offer or maintain any particular service or product.

~~In addition, the Joint UPS/IBT Competition Committee shall have the authority to review line haul runs that may be proposed by UPS Freight to create a two way run. UPS and the Union also agree to review and approve proposed runs that may be inclusive of runs currently being performed by vendors. In the event the parties do not agree, the runs shall not be implemented.~~

Section 3.

[No change]

Section 4. Surepost

1) In order to retain existing commercial customers that are solicited by a competitor offering services similar to those described herein, or to attract new commercial customers, the Company may offer service contracts that include the delivery of packages by the USPS. Packages eligible for such delivery will normally be less than ten (10) pounds in weight and less than **two (2)** ~~three (3)~~ cubic feet in size, in accordance with paragraph (2) below. **The Company shall employ technology, prior to the applicable preload operation, which identifies packages in excess of ten (10) pounds or two (2) cubic feet shipped via Surepost, so that they are redirected to bargaining unit drivers.** Further, UPS agrees that the Surepost will not be presented as a general service offering except at UPS stores. This service will only be offered for shipping from a business to a residential customer. The Company agrees that it will not use Surepost as a basis to diminish the size of the bargaining unit. **Notwithstanding any provision to the contrary, UPS agrees that it will increase, as provided below, the number of Surepost packages redirected to the bargaining unit on a contract year basis as measured by the national average daily volume (ADV). The redirected volume will be increased by two (2) percent as compared to the national ADV for calendar year 2022 (i.e. 42%) for the contract year beginning August 1, 2023. For each of the following contract year ending dates the percentage of volume redirected shall be as follows: 8-1-2024 (44%); 8-1-25 (45%); 8-1-26 (46%); 8-1-27 (48%); and 8-1-28 (50%).**

2) The Company will continue to use technology that identifies two or more Surepost packages to be delivered to the same address and/or any combination of Surepost package(s) and ground package(s) to be delivered to the same address. In such circumstances, all of the Surepost package(s) and ground

7/26/2023

package(s) will be delivered by package drivers. The Company will maintain and update the technology that identifies multiple addresses in close proximity, **defined as within one hundred (100) feet**, to which any combination of Surepost and ground packages are to be delivered. **The Company will monitor and test the technology used for redirect to ensure it is operating in accordance with the parameters of this Section not less frequently than annually and shall provide evidence of the testing to the Union's Director of the Package Division.** The Company shall meet with the Competition Committee to review any potential expansion of the volume to be redirected and determine if it is economically feasible to handle in UPS' operations.

The Company shall not deactivate or interfere with the operation of the technology that redirects Surepost volume to the Company unless volume is being rolled in a building due to delivery constraints. In such event, redirect will only be deactivated for the affected building(s). **The redirect technology shall be maintained to ensure that it is impossible for any local Employer operations representative to suspend its operation.** The UPS President of Labor Relations, or ~~his~~ **their** designee, will **provide written notice to** ~~notify~~ the Union's Director of the Package Division of ~~any~~ **the building in which the deactivation is taking place.**

3) The Joint UPS/IBT Competition committee will meet on a quarterly basis to review the progress of this service and discuss potential technological enhancements that will allow Surepost volume to be placed back in the UPS system for final mile delivery. Any issues or disputes related to the Surepost service that cannot be resolved by the Competition Committee shall be referred directly to the Chairs of the Union and the UPS National Negotiating Committees for discussion and resolution. In addition, the Union may notify the Employer of any opportunities to include additional addresses.

(4) If a driver or inside employee identifies a package designated for Surepost that is clearly more than ten (10) pounds and/or larger than ~~three~~ **two (2)** cubic feet, the package ~~shall~~ **can** be removed from the system and redirected for delivery by a package driver unless the Employer cannot deliver to the specified address. **The Employer shall ensure its employees are made aware of the opportunity to redirect packages in excess of the limits set forth in this Section. The Company will maintain an Exception Resolution Application to ensure that, once a package is identified, a clerk shall redirect the package(s) to the appropriate package driver. No employee shall be disciplined for redirecting a package pursuant to this paragraph.**

Section 5. DOT Hours of Service

The Company shall not change the DOT sixty (60) hours in seven (7) days to the seventy (70) hours in eight (8) days rule for

package drivers except at Peak. With prior approval of the Company's President of Labor Relations and the Teamster's Package Division Director, the DOT standard may also be changed if required due to Acts of God or emergencies creating service disruptions. When the Company changes the sixty (60) hour rule it shall first solicit volunteers to work in excess of sixty (60) hours from all package car drivers in the center. If sufficient volunteers cannot be obtained to cover the over sixty (60) work hours, the Company will first force seasonal package car drivers, non-seniority package car drivers, **and then** part-time cover driver classifications ~~and, then Article 22.4(b) drivers. Seniority package car drivers will only be forced after exhausting the seasonal, non-probationary drivers force process, part time cover driver classifications and Article 22.4(b) drivers. No regular package car driver red circled under Article 22.4(b) will be forced to work on a day off and exceed sixty (60) hours unless he has a full eight (8) hours of duty available.~~ Any regular ~~or Article 22.4~~ package car driver who volunteers ~~or is forced~~ to work over sixty (60) hours in a week pursuant to this paragraph will be compensated at double-time for those hours. This paragraph supersedes any provision in any Supplement, Rider or Addendum which addresses this subject. This Section is not intended to give the Company the right to force seniority package car drivers to work on a weekend unless permitted by the applicable Supplement, Rider or Addendum.

Section 6. Removal of Loads from Rails

~~In order to enhance employees' opportunities to obtain a full time job and improve the Company's ability to reduce time in transit and improve service, the following provisions will apply:~~

~~1. The Company commits that the number of new drivers needed to remove loads from the rail shall be, at least, two thousand (2000), over the life of the current contract. The Company shall be required to train or hire, at least two hundred (200) drivers by December 31, 2019 and twenty five percent (25%) of the remaining needed drivers each calendar year thereafter. As long as the Company satisfies these hiring/training obligations, it shall have the right to cover these runs with substitute means of transportation. The Employer shall provide the Union a report identifying the loads covered by this Section. The Company shall meet with the Union to resolve any issues which may arise if circumstances beyond the Company's control preclude the Company from training or hiring needed drivers in any area. The Company shall train or hire a sufficient number of drivers to cover these runs by the end of the current labor agreement.~~

~~2. The Company shall provide the Package Division Director its initial plans to remove and cover these loads. In addition, upon request, the Company will review with the Package Division Director, or his designee, the Company's progress in implementing this Section. The review shall include the Company's hiring and training of drivers to ensure that reasonable efforts are being made to staff the runs with~~

7/26/2023

~~bargaining unit employees and eliminate the vendors, as soon as practical. If the Company is not making reasonable progress in training the drivers necessary to replace vendors in any area, UPS' President of Labor Relations and the IBT Package Division Director shall have the authority to determine how and where training will be accomplished.~~

~~3. Article 43 shall apply to these runs except for the approval process.~~

~~4. No seniority employee in the feeder driver classification as of August 1, 2018 shall be displaced from the classification or laid off as result of the use of substitute transportation pursuant to this Section.~~

ARTICLE 27. EMERGENCY REOPENING

1. In the event of war, declaration of emergency, imposition of mandatory economic controls, the adoption of a National Health Program or any Congressional or Federal Agency action which has a significantly adverse effect on the financial structure of the Employer, during the life of this Agreement, either party may reopen the same upon sixty (60) days' written notice and request renegotiation of the provisions of this Agreement directly affected by such action. There shall be no limitation of time for such written notice. Upon the failure of the parties to agree in such negotiations, within sixty (60) days thereafter, either party shall be permitted all lawful economic recourse to support its request for revisions. If governmental approval of revisions should become necessary, all parties will cooperate to the utmost to attain such approval. The parties agree that the notice provided herein shall be accepted by all parties as compliance with the notice requirements of applicable law, so as to permit economic action at the expiration thereof.

2. In the event of the declaration of a National Emergency due to a Pandemic, either the Union through its Package Division, or the Company through its President of Labor Relations, may serve notice to engage in bargaining on a national basis over the effects of the Pandemic. The parties shall meet within five (5) business days of either party serving notice under this section. However, there shall be no modifications of this Agreement under this provision without approval of the Teamsters UPS National Negotiating Committee.

Employees who have not completed their appropriate wage progression on the effective date of a COLA increase, shall receive the adjustment on a prospective basis on the date they complete their wage progression schedules.

The amount of the cost-of-living allowance shall be determined as provided below on the basis of the "Consumer Price Index for Urban Wage Earners and Clerical Workers, CPI-W (Revised Series using 1982-1984 Expenditure Patterns), All Items (1982-84 = 100), published by the Bureau of Labor Statistics, U.S. Department of Labor" and referred to herein as the "Index".

Effective August 1, ~~2019~~ **2024** and every August 1, thereafter during the life of the Agreement, a cost-of-living allowance will be calculated on the basis of the difference between the Index for May ~~2024~~ **2024** (published June ~~2024~~ **2024**) and every May thereafter, and the base Index for May ~~2023~~ **2023** (published June ~~2023~~ **2023**) and every May thereafter, as follows:

For every two tenths (0.2) point increase in the Index, over and above the base (prior year's) Index plus three percent (3.00%) there will be a one (1) cent increase in the hourly wage rates payable on August 1, ~~2024~~ **2024** and every August 1 thereafter. These increases shall only be payable if they equal five cents (\$.05) in a year.

7/26/2023

All cost-of-living allowances paid under this Agreement will become and remain a fixed part of the base wage rate for all job classifications. A decline in the Index shall not result in the reduction of classification base wage rates.

Mileage paid employees will receive cost-of-living allowances on the basis of .25 mills per mile for each one (1) cent increase in hourly wages, subject to the threshold set forth above.

In the event the appropriate Index figure is not issued before the effective date of the cost-of-living adjustment, the cost-of-living adjustment that is required will be made at the beginning of the first (1st) pay period after the receipt of the Index.

In the event that the Index shall be revised or discontinued and in the event the Bureau of Labor Statistics, U.S. Department of Labor, does not issue information which would enable the Employer and the Union to know what the Index would have been had it not been revised or discontinued, then the Employer and the Union will meet, negotiate, and agree upon an appropriate substitute for the Index. Upon the failure of the parties to agree within sixty (60) days, thereafter, the issue of an appropriate substitute shall be submitted to an arbitrator for determination. The arbitrator's decision shall be final and binding.

ARTICLE 34. HEALTH & WELFARE AND PENSION

(a)(i) Except as set forth in this Section 1(a), Health & Welfare and/or pension contributions shall be increased by forty dollars (\$40.00) per week on August 1, ~~2018~~ 2023 and on each subsequent August 1st during the life of the contract. Where the employees are covered by both Teamster Health & Welfare and Pension Funds in a Supplement, Rider or Addendum, the weekly health & welfare and pension contributions shall be allocated by the respective Joint Supplemental Area Negotiating Committees, subject to the approval of the Joint National Negotiating Committee.

(ii) 1 In those Supplements, Riders or Addenda, where the full-time or part-time employees are covered by TeamCare and a pension plan sponsored by the Employer, the hourly increase to be allocated for Health & Welfare for these full-time employees as follows:

August 1, 2020 <u>2025</u>	(\$0.50)
August 1, 2021 <u>2026</u>	(\$0.50) TBD based on TeamCare costs not to exceed \$0.70)
August 1, 2022 <u>2027</u>	(\$0.50) TBD based on TeamCare costs, not to exceed \$0.70)

The rates shall be as follows for covered part-time employees:

~~2) For years 2018 through 2021, the remaining fifty cents (\$0.50) will be allocated to the applicable Taft Hartley Pension Plan or the UPS/IBT Pension Plan, as applicable. Part-time employees in the Teamsters Western Region & Local 177 Health Care Plan who are covered by the UPS Pension Plan shall be treated the same as a part-time employee in TeamCare and the UPS Pension Plan. The health and welfare contribution increases in 2021 and 2022 will be based on Team Care's actual costs. In those two years, the applicable Taft Hartley Pension Plan or the UPS/IBT Pension Plan, as applicable, will receive for a pension allocation the differential between the increase to TeamCare and one dollar (\$1.00). This paragraph shall be applied to the part time employee contributions in the same manner except in the first three (3) years the remaining amount shall be seventy cents (\$0.70). For part time employees the differential in the last two (2) years will be determined based on the fifty cent (\$0.50) maximum.~~

(iii) [Reserved]

(iv) The increases accrued under this Article on August 1st, of each year, can only be allocated to health & welfare and/or pension except as provided within this Article. Any dispute concerning the allocation of health & welfare and pension money shall be determined and/or resolved by the Joint National Negotiating Committee.

(v) 1 If, in accordance with a duly adopted funding improvement plan or rehabilitation plan, an IBT Pension Fund is required to issue a schedule pursuant to ERISA Section 305 (added by the Pension Protection Act of 2006) that requires contributions in excess of those contained within this Article, the Union and the Employer shall promptly meet to negotiate changes in the Agreement to generate sufficient savings to cover the cost of the increased contributions. Agreement shall not be unreasonably withheld. Once completed, the applicable Fund shall be obligated to accept the schedule as if it was the beginning of the term of a new labor agreement.

2) In those areas with IBT Pension Funds that do not have a duly adopted funding improvement plan or rehabilitation plan that requires contribution rate increases, the maximum amount available under (a)(i) above for August 1 of 2023, 2024, 2025, 2026 and 2027 shall be twenty dollars (\$20.00). This amount shall be available first for use on H&W, with any remaining amount being available for pension only, notwithstanding Section 4 below. The additional twenty dollars (\$20.00) referenced in (a)(i) above on August 1 of each of these years may only be used to satisfy the requirements of a duly adopted funding improvement plan or rehabilitation plan in those areas with such IBT Pension Plans.

7/26/2023

(b) Monthly, daily and hourly health & welfare and pension contributions shall be converted from the weekly rate increases in accordance with past practice.

(c) During the life of this Agreement, the Employer will continue to make applicable contributions to all IBT Health and Welfare Funds and all IBT Pension Funds (or the successor funds in case of merger of funds) for full-time and/or part-time employees in all Supplements, Riders and Addenda where the Employer was making contributions for full-time and/or part-time employees on May 1, 1982, unless stated to the contrary in this Article or changes placing these employees in UPS plans are negotiated and agreed to by the National Negotiating Committee.

(d) In those Supplements, Riders and Addenda where the Employer was providing health & welfare and/or pension benefit coverage to employees (either full-time or part-time) on May 1, 1982, the Employer will continue to provide health & welfare and/or pension benefit coverage under the Company plan(s), with funding under the related trust(s) established by the Employer for this purpose, for the life of this Agreement unless specified otherwise in the applicable Supplemental Agreement, Rider, Addendum or this Article. However, this paragraph will only apply through December 31, 2013, as it relates to health & welfare coverage.

(e) All contractual provisions relating to pensions shall be provided in the respective Supplemental Agreements, Riders and Addenda. References to Company provided health & welfare are being deleted from the Supplements, Riders and Addenda because the Company will no longer be providing medical coverage after December 31, 2013.

(f) The agreements on Maintenance of Benefits for Teamster Health and Welfare Plans in the Western Region of Teamsters Supplemental Agreement and in the Northern California Supplement Agreement shall continue in full force and effect during the life of this Agreement. The increase in any Supplement, Rider or addendum as a result of a Maintenance of Benefit increases shall be allocated as follows: the hourly increase in Health and Welfare in each year of the contract necessary to maintain benefits will be determined by the Trustees of each individual Health & Welfare Plan. The remainder of the contribution increase set forth in Section 1.(a), if any, will be paid into pension. The Employer's total annual increase in contributions to the Taft-Hartley Pension and/or Pension Fund equal at least the amount set forth in Section 1(a) above.

The portion of the increased amount set forth in paragraph 1(a) above to be allocated to the Teamsters Western Region & Local 177 Health Care Plan each year will be determined by the Trustees of that Plan. The remainder of the annual contribution increase set forth in Section 1(a), if any, shall be paid into pension. This paragraph shall not apply if the Western Conference of Teamsters Pension Fund becomes subject to a funding improvement or rehabilitation plan.

(g) The Employer shall not be required to contribute to any jointly trusteed health and welfare plan, consistent with the

practices and rules and regulations of such plan in effect as of August 1, ~~2018~~ **2023** an amount greater than the amount it contributed on July 31, ~~2018~~ **2023** plus the increases required by this Master Agreement, except as may be required by law notwithstanding any language to the contrary in any Trust Agreement, Participation Agreement or similar document. The only exception to the above is the Maintenance of Benefits provision in paragraph (f) above.

(h) In the event that there is any change in the existing national health care legislation or if new legislation is enacted, the parties agree to meet and discuss any ramifications of that legislation on the provisions of this Article. **In the event an IBT Pension Plan is unable to maintain its current zone status under ERISA Section 305 (added by the Pension Protection Act of 2006) during the term of this Agreement at existing contribution rates because of the limits described in (a)(v)(2) above, the parties similarly agree to meet and discuss those circumstances and any ramifications on the provisions of this Article.**

If a participant is in Covered Employment on August 1, 2023, they shall receive the sixty-five dollars (\$65.00) benefit formula for the entire 2023 plan year.

The total monthly service pension benefit will be equal to the following provided the employee meets the Credited Service requirement.

(3) The Employer will be responsible for funding the UPS Pension Plan as required to provide the benefits described above and will be responsible for maintaining the plan.

(4) The UPS Pension Plan will be governed by the terms of the Plan document.

(5) Effective August 1, 2002, the Employer will grant additional years of Credited Service in accordance with the terms of the Plan to all full-time and part-time employees on the payroll on August 1, 2002, who worked for UPS after they were twenty-one (21) but were denied Credited Service solely because the UPS Pension Plan required that an employee be age twenty-five (25) or older to participate in the UPS Pension Plan.

(6) For those multi-employer pension plans with which the UPS Pension Plan does not have reciprocity, the UPS Pension Plan will execute a mutually agreeable reciprocity agreement with those plans.

(3) Average weekly base pay is computed by averaging paid hours (maximum of forty (40) hours per week) each week during the last full calendar quarter the employee worked and multiplying that by the hourly rate of their base job. Weeks of unemployment in the prior quarter will not be counted in the calculation. If there were substantial weeks of unemployment, the prior full calendar quarter may be used for the calculation.

(4) The definition of disability, termination of eligibility, offsets, exclusions, limitations, claim procedures and any other related issues will be controlled by the Summary Plan Description.

(5) The long-term disability coverage will become effective on August 1, 2004 for eligible employees who become disabled after that date. However, pre-existing conditions will not affect the employee's eligibility for LTD.

(6) In those situations where a Teamster Health and Welfare Fund provides a short term disability benefit, the employee receiving such benefit shall provide the UPS National LTD Plan sixty (60) days advance notice of the estimated termination date of the short term disability. If such notice is not provided, the UPS National LTD Plan shall have the right to delay the commencement of LTD payments.

(7) Any employee receiving LTD benefits pursuant to this Plan shall be entitled to receive health care coverage in accordance with the SPD for up to twelve (12) months only. **An employee will not be denied LTD benefits under this Section based on a failure to qualify for Social Security Disability Benefits.**

A positive test specimen as a result of a DOT pre-qualification or random test will result in a rehabilitation opportunity. An employee whose test results are reported to the Medical Review Officer by the HHS certified laboratory and who has been contacted by the Medical Review Officer or ~~his/her~~ **their** designee has seventy two (72) hours to contact the Medical Review Officer to review the test results. If the review time schedule is not met, then the Medical Review Officer (MRO) may report to UPS Management that the test is verified as positive. If neither UPS nor the MRO, after making all reasonable efforts, as required by the DOT regulations, is able to contact the employee within ten (10) days from receiving the laboratory results, the test will be considered an uncontested positive test result. If the Medical Review Officer determines a specimen is positive, then the employee will have five (5) calendar days to evaluate ~~his/her~~ **their** situation with an approved Substance Abuse Professional and then up to fifteen (15) calendar days to enter the rehabilitation treatment center after approval of a leave of absence as outlined in Article 16, Section 5 of the National Master UPS Agreement. UPS will follow the final recommendations of the Substance

7/26/2023

Abuse Professional as to the appropriate after-care protocol and post rehabilitation unannounced drug testing.

The employee will be permitted to return to work after the SAP has determined that the employee has successfully complied with prescribed education and/or treatment and the employee has provided a negative drug test result conducted under direct observation, as per cutoff levels contained in Section 3.3 or Section 3.4 of this Article, as applicable, and/or an alcohol test with an alcohol concentration less than 0.02. The Employer will make all reasonable efforts to conduct all return-to-work testing, conference calls, and examinations within five (5) working days of completion of a rehabilitation program.

It is understood that if the grievance procedure is utilized contractual time limits on disciplinary action and the employee's request for rehabilitation will be suspended until resolution of the grievance.

Substance Abuse Professional (SAP)

Each Substance Abuse Professional (SAP) must be a licensed Doctor of Medicine or Osteopathy, or a licensed or certified psychologist, social worker, employee assistance professional, or drug and alcohol counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substance-related disorders and be knowledgeable of the SAP function as it relates to Employer interest in safety-sensitive functions and applicable DOT agency regulations. In addition, the SAP shall keep current on applicable DOT agency regulations and comply with the DOT qualification training and continuing education requirements.

The SAP is responsible for performing the following functions:

1. Conducting the initial face-to-face clinical assessment and evaluation to determine what assistance is needed by the employee to solve problems associated with alcohol and/or drug use;
2. Referring the employee to an appropriate education and/or treatment program;
3. Conducting a face-to-face follow-up evaluation to determine if the employee has actively participated in the education and/or treatment program and has demonstrated successful compliance with the initial assessment and evaluation recommendations;
4. Providing the Employer with a follow-up drug and/or alcohol testing plan for the employee; and
5. Providing the employee and Employer with recommendations for continuing education and/or treatment.

Follow-up testing shall consist of at least six (6) tests in the first (1st) twelve (12) months following the employee's return to duty.

The one (1) year period may be extended as necessary by written verification of the Substance Abuse Professional. **The affected employee and Local Union shall be notified in writing within ten (10) days of any extension required by the SAP beyond the required one (1) year follow-up testing period.** Tests shall be conducted under direct observation.

Employer Responsibilities

Prior to allowing an employee to return to duty, after the employee has tested positive for the presence of controlled substances or has refused to submit to a drug test, the employer shall:

- A. Ensure that the employee is "drug free," based on a drug test that shows no positive evidence of the presence of a drug or a drug metabolite in the employee's system.
- B. Ensure that the employee has been evaluated by a Substance Abuse Professional (SAP) for drug use or abuse.
- C. Ensure and confirm with the Substance Abuse Professional that the employee demonstrates compliance with all conditions or requirements of a rehabilitation program in which ~~he or she~~ **they** participated.

Section 3.13 Disciplinary Action

Employees may be subject to discipline up to and including discharge as provided below if they test positive for drugs specified elsewhere in this Article.

1. Reasonable Cause Testing

- a. A positive test is a dischargeable offense unless the Union and the Employer expressly agree to a lesser penalty. Any such agreement will not be precedent setting.

ARTICLE 36. NONDISCRIMINATION

The Employer and the Union agree not to discriminate against any individual with respect to hiring, compensation, terms or conditions of employment because of such individual's race, color, religion, sex, gender identity, sexual orientation, national origin, physical disability, veteran status, ~~or~~ age, or any other class protected by ~~in violation of~~ any federal or state law, or engage in any other discriminatory acts prohibited by law, nor will they limit, segregate or classify employees in any way to deprive any individual employ-ees of employment opportunities because of race, color, religion, sex, gender identity, sexual orientation, national origin, physical disability, veteran status, ~~or~~ age or any other class protected by ~~in violation of~~ any federal or state law, or engage in any other discriminatory acts prohibited by law. This Article also covers employees with a quali-fied disability under the Americans with Disabilities Act.

ARTICLE 37. MANAGEMENT EMPLOYEE RELATIONS

Section 1.

(a) The parties agree that the principle of a fair day's work for a fair day's pay shall be observed at all times and employees shall perform their duties in a manner that best represents the Employer's interest. The Employer shall not in any way intimidate, harass, coerce or overly supervise any employee in the performance of ~~his or her~~ their duties. The Employer shall not retaliate against employees for exercising rights under this Agreement. In considering any grievance alleging retaliation for exercising ~~his~~ their rights under the Agreement, the severity and timing of the Employer's actions that modify an employee's work assignment or reprimand employees shall be relevant factors to a determination of motivation. The Employer will treat employees with dignity and respect at all times, which shall include, but not be limited to, giving due consideration to the age and physical condition of the employee. Employees will also treat each other as well as the Employer with dignity and respect.

The following language is applicable to grievances arising from Article 37 Section 1(a) which allege intimidation, harassment, coercion or over supervision:

1. Grievances not resolved by the Local or Area grievance procedure shall be forwarded to the National Article 37 Grievance Committee. Such Committee shall be comprised of an equal number of Union and Employer representatives and a sitting arbitrator who shall decide the merits and penalty of each case in the event of a deadlock by the Committee. Cases will be presented and decided in accordance with Article 8 and the National Grievance Committee Rules of Procedure.

2. The Article 37 Committee shall be empowered to provide a monetary penalty for each proven violation of this Section up to a maximum penalty of five (5) ~~three (3)~~ times the employee's daily guarantee depending on the severity of the offense.

3. Any individual member of management deemed by the Committee to have committed two (2) or more violations of this Section within a two (2) year period shall be required to appear in person before the Committee for any subsequent grievance(s). Failure of the management person to appear, absent a legitimate excuse, shall result in a negative inference.

(b) It is the policy of the Employer to cooperate with a package car driver who desires to be relieved of overtime, subject to the understanding that such package car driver will complete ~~his/her~~ their assignment, and subject to the provisions below.

The Center Manager and the Steward shall process such requests based on seniority. The Employer shall allow a minimum of ten percent (10%) of the package car drivers worked in any Center off on a daily basis. No package car driver's dispatch will be adjusted more than two (2) times per month. It is understood that to accomplish the above the Employer may need to provide an earlier start time. This subsection applies regardless of whether the driver has opted in or out pursuant to the provisions of

7/26/2023

subsection (c) below. Such requests shall not be submitted during the months of November and December.

An employee who desires to be relieved from overtime on a particular day must make a written request on a form furnished by the Employer. Such a request must be submitted no later than the start of ~~his/her~~ **their** shift on the ~~third (3rd) fifth (5th) calendar~~ **workday** day preceding the day being requested. A signed copy of the request form stating approval or disapproval shall be returned to the employee by the end of the employee's next working day. Such request shall be granted or denied in accordance with the terms of this subsection. If a request is denied on the above referenced form, the employee shall receive a two (2) hour penalty payment at ~~his/her~~ **their double straight** time rate if the request should have been granted at this time based on the criteria set forth in this sub-section. This two (2) hour payment shall also apply if the Employer approves the request and later informs the employee ~~he/she~~ **they** cannot be relieved of overtime, provided the request continues to meet the criteria set forth in this sub-section.

In addition, if an employee's request is granted but the Employer fails to adjust the driver's dispatch **prior to, but no later than, their scheduled start time** so as to provide an amount of work that can reasonably be completed within eight (8) hours which then causes the driver to work in excess of eight and one-half (8.5) hours to complete ~~his/her~~ **their** route, the driver shall be entitled to a two (2) hour penalty payment at ~~his/her~~ **their straight double** time rate and the driver will retain the eight (8) hour request for later use. No penalty shall be due if the employee exceeds the eight and one-half (8.5) hour threshold as a result of events beyond the Employer's control.

~~The Center Manager and the Steward shall process such requests based on seniority. The Employer shall allow a minimum of ten percent (10%) of the package car drivers worked in any Center off on a daily basis. No package car driver's dispatch will be adjusted more than two (2) times per month. It is understood that to accomplish the above the Employer may need to provide an earlier start time. This subsection applies regardless of whether the driver has opted in or out pursuant to the provisions of subsection (c) below. Such requests shall not be submitted during the months of November and December.~~

Any employee whose request is granted shall not be required to work more than eight (8) hours on the approved day. If the driver's dispatch for whatever reason was not adjusted, the work will be removed prior to departing the building. While on the route, if the driver determines that they will not be able to finish within eight (8) hours, the driver will notify management who shall have the responsibility to make the necessary arrangement to ensure the driver is off in the requested eight (8) hours. Drivers shall notify management no later than 1:00 P.M. if they cannot complete their assigned work within eight (8) hours. No employee shall be threatened,

harassed, or disciplined by management in the exercising of this right.

(c) The Union shall circulate and collect the names of **eligible** package drivers who wish to be covered by the provisions of this Section ~~twice~~ **once** each year. ~~These lists~~ **This list** shall be provided to the Company by January 5th ~~and June 5th~~ of each year. The Employer shall make a reasonable effort to reduce package car drivers' workdays below nine and one half (9.5) hours per day for those on the list. If a review indicates that progress is not being made in the reduction of assigned hours of work, (i.e the package driver has worked more than 9.5 hours on three (3) days in a work-week), the following language shall apply, except for the period from November 15th through January 15th of the following year:

Employees within the full-time driver classification shall be eligible for the protection of this Section provided: (1) the employee covers a route for a full week; (2) the employee bids or is assigned to cover a route for a full week but is prevented from completing that bid or assignment due to reassignment by the Employer; or (3) an employee with four (4) years of seniority as a full-time package driver.

Drivers who choose to opt-in on the 9.5 list shall have the right to file a grievance if the Employer has continually worked a driver more than nine and one half (9.5) hours per day for any three (3) days in a workweek. The Company will not assign excessive over-time on the two (2) remaining days within the workweek in order to retaliate against a driver for opting onto the 9.5 List. **If the employer is found to have assigned excessive overtime for the remaining two days in violation of this provision, the Co-Chairs shall have the discretion to award a penalty at triple time as outlined in this section.**

The "opt-in" lists provided by the Union shall become effective on January 15th ~~and June 15th~~. A driver may add or delete ~~his/her~~ **their** name from the list at any time, with one week's notice to the Employer.

If a driver is paid a penalty under this subsection more than four (4) times in a calendar year a meeting shall be scheduled with the District Labor Manager, Business Agent and the Co-Chairs, **or their chosen designee** of the applicable Supplemental panel **within forty-five (45) days of the filing** to determine what actions are necessary to ensure compliance.

If a grievance under this provision (or a grievance under any excessive overtime provision of a Supplement, Rider or Addendum) cannot be resolved at the local level, including Supplemental Panels, where applicable, the Union may docket the grievance to be heard by the "9.5 Committee." This Committee shall be composed of two (2) Union and two (2) Employer representatives. The 9.5 Committee shall have the authority to direct the Employer to adjust the driver's work

7/26/2023

schedule. Deadlocked cases shall be referred to the Employer's Vice President of Labor Relations and the Co-Chair of the Teamsters United Parcel Service Negotiating Committee for final and binding resolution.

The Employer's Vice President and the Union's Co-Chair shall have the discretion to grant the grievant triple time pay for hours worked in excess of nine and one half (9.5) hours per day and/or to order the Employer to adjust the driver's work schedule. **After the forty-five (45) day Supplemental Co-Chair meeting, if there are continued violations the Co-Chairs shall have the discretion to grant quadruple time penalties as outlined in this section.** In the event the Employer's Vice President and the Union's Co-Chair cannot resolve a grievance, either party may refer the matter to arbitration in accordance with Article 8. In the event the position of the Union is sustained, the arbitrator shall have the authority to impose any remedy set forth in this Section.

If there is a deadlocked grievance by the "9.5 committee" the Co-Chairs of the National Negotiating Committee may require a review of the adequacy of the Company's staffing in the center in which the grievance was filed. In the event the parties cannot resolve a dispute over whether excessive overtime in violation of this Section resulted from inadequate staffing in the center or other causes, such as the temporary unavailability of drivers, either may refer the matter to arbitration in accordance with Article 8. If the position of the Union is sustained, the arbitrator shall have the authority to award any remedy set forth in this Section including back wages at the appropriate rate of pay to the employee(s) adversely affected, as well as appropriate progression credit. The back wages shall be equal to what the employee(s) would have earned as a package driver at the applicable daily guarantee versus what ~~he~~ **they** actually earned.

In addition, the Union Chair of the National Negotiating Committee may, at any time, request a meeting with the Employer's President of Labor Relations to review the adequacy of the Company's staffing in any center having excessive 9.5 grievances deadlocked at the local level panel. If the dispute cannot be resolved, either party may refer the matter to arbitration in accordance with Article 8, Section 7. The next arbitrator in rotation on the eastern Panel shall be assigned the case. The arbitrator shall have the authority to award any remedy specified in the paragraph above.

The 9.5 committee shall also have the authority to ensure that this Section is implemented in such a way as to balance the Employer's need to protect the integrity of its operations with an employee's legitimate need to avoid excessive overtime.

The provisions of this Section 1(c) shall supersede any language on "9.5" in the Central Region Supplement.

(d) No employee shall be disciplined for exceeding personal time based on data received from the DIAD/IVIS or other information technology.

Section 2.

Not more than one (1) member of management will ride with a driver at any time except for the purpose of training management personnel. No driver will be scheduled for more than one (1) day's ride per year with more than one (1) member of management on the car. Such day will not be used for disciplinary purposes. The sole reason for two (2) management employees on the car is for supervisory training. If a supervisor assists a driver during an O.J.S., that day will not be used in determining a fair day's work.

During scheduled safety training for feeder drivers the supervisor will only drive for demonstration purposes and this will not exceed ~~one (1)~~ **three (3)** hours per workday.

Section 3.

Any alleged violation of this Article shall be subject to the applicable grievance procedure. Where an employee has submitted a grievance regarding an excessive number of rides, no member of management shall ride with that employee unless and until the local level hearing is concluded provided such hearing is held within five (5) working days. If the Union has a legitimate reason for not being available within the five (5) working days, the period will be extended up to a total ~~often of ten~~ **of ten** (10) working days.

The Employer will give no less than twenty-four (24) hours notice to a seniority driver prior to any ride, except in cases of post-accident/injury rides. Such notification will include the reason for the ride. The results of any ride will be reviewed with the employee and steward. A copy of the documentation related to the ride shall be provided to the employee and steward upon request. The twenty-four (24) hours notice may be waived by mutual agreement.

ARTICLE 38. CHANGE OF OPERATIONS

Section 1.

(a) The Employer agrees that prior to any change in its operation that will result in a change of domicile and/or possible layoff of seniority employees, it shall notify the affected Local Union(s) in writing with the specific details and information then available and then meet jointly with them to inform them of the proposed changes and to resolve questions raised in connection with the proposed change. The information will be provided at least seven (7) days prior to the meeting. During this joint meeting the Employer and the Union shall reduce to writing all agreed upon issues and both parties shall sign the written document in

7/26/2023

acknowledgement of such agreement. The parties shall also reduce to writing all unresolved issues, if any, and they shall be referred directly to the appropriate Regional Change of Operations Committee. This meeting shall be completed where practical at least forty-five (45) days prior to the proposed change. The change may not be implemented until the forty-five (45) days' notice is provided and the meeting is completed unless the operational change is dictated by emergency conditions. The Union shall not unreasonably delay the scheduling or completion of the requested meeting. Any unresolved issues reflected in Section (c) below, which have been reduced to writing, will be resolved pursuant to that Section.

(b) Any agreed to change of operations reached by the Local Union(s) and the Employer shall be reduced to writing and filed with the Joint National Change of Operations Committee. It is understood that a regional area representative of the affected region(s) shall sit on the Joint National Change of Operations Committee.

(c) A Joint Change of Operations Committee will be established in each Regional area and will resolve issues arising out of the proposed change of operations. The Committee will resolve issues involving seniority application, health and welfare, and pension coverage and layoff questions for employees who are involved in the change. All affected parties will convene and attend the Regional Joint Change of Operations Committee meeting prior to the scheduled implementation date to resolve these issues.

If the Regional Joint Change of Operations Committee is unable to resolve the issues, such issues shall be referred to the Joint National Change of Operations Committee for resolution. If the issues reflected in this Section are not resolved by the Joint National Change of Operations Committee, they shall be submitted to an expedited arbitration using the arbitrators on the National Panel for that area.

The Committee which decides the issues, as described above, shall retain jurisdiction for a period of twelve (12) months following the change of operations decision. The decision of the Committee shall be final and binding.

Unless specifically covered in individual Supplements, Riders or Addenda, the following shall apply:

1. Whenever a center is closed and the work is transferred to or absorbed by another center, the affected employees will be entitled to follow their work and their seniority shall be dovetailed at the new center.

2. Whenever a center or hub is partially closed and the work of package drivers and all other regular employees, part-time and full-time, excluding feeder drivers, is transferred to or absorbed by another center, the affected employees may either follow their

work and have their seniority dovetailed in the new center or be allowed to exercise their seniority in their present center and displace the least senior employee in their respective classifications. If any of the employees whose work is transferred elects not to follow ~~his/her~~ their work, then ~~he or she~~ they shall have the same rights as the remaining employees on the seniority list from which the work was transferred to bid the work being transferred. Those employees who follow the work shall have their seniority dovetailed in the new center.

3. In a Change of Operations affecting feeder drivers, the following language will apply: Whenever a center is partially closed and the feeder work is transferred to or absorbed by another center, all feeder drivers, in seniority order, will have the option of following the available work and have their seniority dovetailed in the new center or be allowed to exercise their seniority in their present center, and take whatever jobs become open as a result of other employees following the work or taking a layoff. If a senior feeder driver elects to take a job which has been transferred out, the displaced employee(s) will fill the vacated job(s) by seniority until the next bid. **If there are still vacancies in the feeder classification, these jobs will be offered to other facilities within the jurisdiction of the destination Local Union before hiring off the street. To be eligible to transfer and fill these vacancies, the employee must be qualified at the time the job is offered. Any employees transferring from another facility pursuant to this paragraph shall be eligible for moving expenses under Section 2 and the employee's seniority shall be determined by the applicable Supplement, Rider or Addendum. The employee shall retain benefits (e.g. vacation, sick leave, holidays, etc.) based on the employee's length of service.**

(d) The language contained in Section 1(a) shall be applicable to the Employer's implementation of "satellite" facilities, provided, however: (1) the issues subject to discussion shall not be limited by paragraph (c) of this Section and, (2) in the event the issues cannot be resolved by the Employer and the Local Union, or, subsequently, in accordance with the established local area practice, the open issues may be referred to the Vice-President of Labor Relations and the Parcel and Small Package Division Director, or their designees. If no resolution is reached, all outstanding disputes shall be submitted to an expedited arbitration to determine if the Employer has violated any provisions of this Section or if the change will result in a violation of any other provision of the collective bargaining agreement. The expedited arbitration will be handled by one of the arbitrators on the National Panel for that area.

Section 2.

As a result of the Employer moving an operation more than ~~seventy five (75)~~ **fifty (50)** miles, all full-time employees in accordance with classification seniority who choose to move, will have their moving expenses paid.

7/26/2023

The expense shall include the reasonable cost of packing and the moving of household goods or house-trailer including dismounting and mounting. The employee(s) who transfer will have one (1) year from the date of the change to move.

(a) Employee(s) who are transferred out of their original area where they are covered by a Teamster Pension Trust Fund into the jurisdiction of another pension trust fund, such employee(s) shall remain in their original pension trust fund.

The Employer agrees to pay the required pension contributions to the employee(s) original pension trust fund as set forth in the trust agreement, provided there is no conflict with any collective bargaining agreement and/or trust agreement.

(4) All provisions in the TCI agreement shall remain in effect through the expiration of this Agreement, as set forth in Article 45 ~~July 31, 2023~~.

ARTICLE 40. AIR OPERATION

7/26/2023

Preamble

[No change]

Section 1—Air Drivers

(a) Air driver work shall consist of delivery and pickup of air packages which, because of time and customer commitments, cannot be reasonably performed by regular package drivers. Such work may include:

- (1) Delivery of air packages which the regular delivery drivers cannot deliver within guaranteed time commitments.
- (2) Delivery of air packages arriving at the facility after regular drivers have been dispatched.
- (3) Delivery and pick up of air packages on weekends and holidays.
- (4) On Call Air pickups.
- (5) Pick up at air counters and drop boxes.

The Company shall not expand the utilization of part-time employees to pick up drop boxes, including those containing ground packages. The Company shall provide the International Teamsters Union with a report no later than March 1, 2013 and, thereafter, an annual report by August 15th of each year for the prior contract year identifying for each Local Union the total number of drop boxes being picked up by regular full-time package drivers, full-time air/combo drivers, and part-time air drivers. The ratio of drop boxes picked up by regular full-time package drivers, full-time air/combo drivers and part-time air drivers shall be maintained (within two (2) percentage points) during the term of this Agreement. Additional drop boxes will be picked up by the same ratio of regular full-time drivers, full-time air/combo drivers and part-time air drivers as established by the March 1, 2013 report. **The Company shall, when feasible, use full-time employees to pickup drop boxes. The size and dimensions of drop boxes existing on February 1, 2013, and those added thereafter, shall not be increased, without the consent of the Union. Upon ratification of this agreement the size of future drop boxes shall not exceed twenty-two (22) cubic feet without the mutual agreement of the Co-chairs of the Joint National Air Committee.**

- (6) Additional late air pickups.
- (7) Air drivers may, on an exception basis, be used to make service on packages which are not air packages.

An exception package is intended to be when an Air Driver is making a pick up, as outlined above, after the regular driver has been at the customer's premises, and the customer has an

exception ground package(s) for shipment, the air driver may make service on this package(s). Air drivers may continue to pick up Automatic Return Service packages but the features of this service will not be expanded.

Any violation of Section 1(a) (7), shall obligate the Employer to pay the Air Driver involved the difference between ~~his/her~~ **their** rate of pay and the top regular package car driver wage rate existing at that building. Grievances concerning violation or abuse of this shall be referred directly to the National Air Committee.

(8) Delivery of early AM Packages.

(9) Movement of air packages to airports and other locations such as service centers, UPS buildings and driver meet points. Shuttle work currently performed by regular full-time drivers shall be excluded. Should a regular full-time driver vacate a position which includes air shuttle work, that job shall either be rebid as it previously existed and continue to be paid at the regular driver rate or the air shuttle work may be combined with other air work to create one (1) or more full-time air or full-time combination job(s) paid in accordance with Section 6 below. Therefore, the parties agree to continue the practice of allowing the use of part-time employees who have signed the exception qualified list or who have expressed in writing their desire to be on the list and who have been certified to deliver these exception air packages.

(2) Employees certified on the Exception Air Driver list who have not worked over forty (40) hours in the current work week shall be offered this work by seniority.

If after exhausting the above steps scheduling needs are still not met, the Employer shall offer the work in seniority order within the package driver classification. If more drivers are still needed the reverse seniority order concept will be used for package drivers. Package car drivers who work on a holiday may make a written request for an eight (8) hour guarantee. Such written request shall be made the last work day prior to the holiday. All time worked by these drivers on a holiday will be paid at the Supplemental holiday rate.

(3) The scheduling of the support work will be reviewed with the Local Union prior to the holiday. (k) Saturday or Sunday Air Work

Qualified part-time employees who are interested in performing this work will so notify the Employer, be certified and be placed in seniority order on a posted qualified air driver list. Such work will be first offered in seniority order to employees on the qualified list who have not worked more than thirty-seven (37) hours in the current week. This work shall then be offered in seniority order to qualified part-time employees regardless of hours worked. If the scheduling needs still cannot be met, and additional employees are needed, the Employer may force qualified part-time employees in reverse seniority order.

(2) These employees shall be paid at the air driver's straight-time rate of pay in accordance with Section 6 below. Time and one-

TEAMSTERS/UNITED PARCEL SERVICE

ARTICLE 43 – PREMIUM SERVICES COMMITTEE

**Guidelines for UPS Mileage Layover, City Pair,
and Sleeper Team Drivers**

1. No Feeder Driver will be laid off or displaced from the Feeder Classification as a direct result of the implementation of a Premium Service Job.
2. If the Employer's existing Feeder Network can meet the Employer's time and service needs, that network will be used first.

In the event the Employer proposes to implement ~~either a mileage layover run, or sleeper team run~~ **or a city pair (mileage turn)** in accordance with the provisions of section 1 above, the run must first be reviewed and approved by the ~~affected Local Union(s)~~ **Joint Premium Service Review Committee**. Such approval shall not be unreasonably denied.

~~After approval by the Local Union(s), the accommodation shall be submitted to the Joint Premium Service Review Committee for review.~~

~~The Employer may also submit the accommodation to the Committee for review in the event approval is denied by the Local Union(s).~~

No such accommodation shall be implemented without the approval of the Package Division Director or the General President's designee.

Approval shall not be unreasonably denied.

Any run that has been approved and is changed such change must be reviewed ~~with the Local Union(s) involved~~ **and approved pursuant to the above process. Upon the re-optimization of the network, the Committee shall review the Employer's compliance**

with the provisions of this Article and shall report and recommend improvements or alterations in the implementation and operation of all mileage runs, premium service and sleeper team runs.

City Pair (mileage turn) drivers will be paid by the actual miles driven between selected UPS locations which are more than 250 miles apart.

City Pair (mileage turn) drivers shall be scheduled for 5 working days as outlined in the applicable supplement, rider or addendum.

Layover drivers will be paid by the actual miles driven between selected UPS locations, which are typically more than 500 miles apart.

Mileage jobs not scheduled to equal ten (10) hours of pay will be filled in with local hourly feeder work in the following order:

1. Local feeder or CPU/TDP work at origin hub or center.
2. Shifter work at origin work location.
3. Layover jobs not scheduled to equal ten (10) hours per day, may be supplemented with an additional day of work at the regular hourly rate in an effort to provide forty (40) hours of work weekly. When this occurs, the layover job will not be subjected to the requirement of providing hourly work to equal ten (10) hours of pay.
4. Destination local work will be the last consideration.

Holidays, personal holiday, paid sick days, funeral leave and jury duty for city pair (mileage turn), layover and sleeper team drivers will be paid in accordance with the applicable supplement, rider or addendum. The layover and sleeper team drivers will be compensated for no less than forty (40) hours of work in a holiday workweek.

These holidays will be paid at ten (10) hours straight time pay for mileage drivers who are scheduled four (4) days a week, ten (10) hours a day if the holiday falls on a day the employee is normally scheduled to work. When the holiday falls on a non-scheduled day, the employee will be paid in accordance with the applicable supplement, rider or addendum.

When the city pair (mileage turn), layover and sleeper team drivers are required to work on a holiday, the driver will be paid at the appropriate holiday rate under the applicable supplement, rider or addendum.

City pair (mileage turn), layover and sleeper team jobs will be bid among regular origin feeder jobs as per local procedures and work rules.

7/26/2023

Jobs not selected in normal top down seniority order will be assigned from the bottom up as per normal local work rules. As per Article 43, Section 2(1)(a).

Efforts to pre-connect city pair (mileage turn), layover and sleeper team driver's tractor/trailer units at the local origin will be made at both the start and the finish of the run in a regular location on the lot.

Pre-trip, post-trip inspection, start and finish shall be part of the applicable mileage rate.

"It is the intent of the parties to make the driver whole for all justified delay time, such as waiting for late loads, unscheduled on-property work, accident delay or on-road equipment breakdown. Any disputes will be referred to the Joint Premium Service Committee." **Unless authorized otherwise by management, delays will commence at the scheduled departure time.**

~~Unless authorized otherwise by management, delays will commence at the scheduled departure time.~~

Mileage drivers are not paid for traffic delays when mileage is recorded within the delay except as follows:

On major highways, traffic delays will commence when a mileage driver's speed is reduced to a complete stop and then the driver continues to move at a speed less than fifteen (15) miles per hour. The delay would continue until the tractor reaches a speed of fifteen (15) miles per hour for at least one (1) consecutive minute. Traffic delays must be fifteen (15) minutes or greater and will be paid back to the first minute.

It is understood in extreme traffic delay cases, delay pay will not be unreasonably denied.

While this section clearly entitles the Team Drivers to be made whole for all justified delay time such as waiting for late loads this language applies only to sleeper cab planned runs that have been awarded through the appropriate applicable supplemental, rider or addendum provision.

When sleeper team runs require waiting time at the furthest point, such waiting time may be non-paid, but not to exceed **one** ~~two~~ **(21)** hours.

The driver will be paid from the actual arrival time to the extent that an early arrival is not the fault of the driver. Each arrival at the home domicile will reset the furthest point, **but in no instance will a team have more than one (1) unpaid hour total at furthest points in any one week, except as provided below.**

Upon arrival at the furthest point, the Company will have the option of providing suitable lodging for the duration of any wait

time. Drivers who are provided with lodging will be in a non-pay status not to exceed eight (8) hours or until placed back on duty by the Company.

The Company may schedule a maximum of ten percent (10%) of the total approved network sleeper teams nationwide up to ten (10) hours in non-pay status at the furthest point. The Company will not un-necessarily create these types of runs or excessively schedule these runs in any one (1) Local Union. Also, the Company must have a specific business purpose to schedule such a run as well as follow the approval process set forth in the Article 43 Guidelines on any newly created runs as of March 27, 2013.

Waiting time at intermediate stops will be handled in accordance with the applicable local supplement, rider or addendum.

Delays of fifteen minutes or more will be paid back to the first minute, at the applicable local hourly feeder rate for both team drivers and a single person driver that is on a layover run.

"Chain-up" time will be paid to both team drivers and a single person driver that is on a layover run in the States where it is required.

City pair (mileage turn), layover and sleeper team drivers will be paid the applicable feeder hourly rate after a diversion occurs from the point of leaving the main highway to the facility and returning to the main highway. Any such re-dispatch will not displace any bid feeder work.

Mileage Determination:

Sleeper Team drivers shall be paid for the scheduled miles that they drive, on a point-to-point basis, over the routes driven. The method of measurement for mileage under this provision will be Microsoft Streets and Trips mapping or similar successor software. If an extension or diversion occurs, the drivers would be paid the scheduled miles using the same methodology as above.

Fuel and Wash will be handled in the following manner:

There shall be a set fuel/wash allowance of thirty (30) minutes when a fueling event is scheduled at a non UPS facility or required in an emergency situation.

However, when sleeper teams are scheduled to fuel/wash at UPS facilities other than those designated as an intermediate stop, those stops which utilize a staging area outside of the facility the fuel/wash delay will start at the point of uncoupling and finish when re-coupling is completed. If uncoupling and re-coupling is necessary within a facility, a team will commence being paid upon entering the facility and finish upon exiting. If uncoupling is not necessary, teams will be paid a set fuel/wash allowance of forty (40) minutes.

7/26/2023

Re-route:

A re-route occurs when a sleeper team is taken off their scheduled path due to weather, road closure, accident, etc. When a team is re-routed to other comparable roadways, the team's additional miles will be compensated at the applicable mileage rate of pay. If a mileage driver is re-routed to a non-comparable main highway, he will be paid at the applicable hourly rate of pay.

Extension:

An extension occurs when an exception such as inclement weather, breakdown, traffic delay, etc. requires a sleeper team to be extended beyond their furthest point. These miles will be paid at the regular mileage rate of pay.

Shuttle service to a sanitary hotel and lodging expenses will be paid for, or provided by, the Employer.

It is understood that supplemental language, regarding impassable highways, shall continue to apply. If a mileage driver pulls doubles any part of his/her day, he/she will be paid the doubles rate for the entire day. Double forty (40) foot trailers will be categorized the same as triples.

For Sleeper Team Drivers, the greatest number of trailers actually pulled will be used for compensating all legs from domicile to return to domicile. Each turn at domicile will reset the trailer compensation rate.

Applicable wage rates are listed under Article 43 and apply to all drivers. ~~There is no wage progression for full-time package car and feeder drivers hired on or prior to August 1st, 1997.~~

In the event city pair (mileage turn), layover and sleeper team mileage drivers are offered work on a regular scheduled day off from his/her workweek, the following shall apply:

1. Mileage drivers who work on their days off shall be paid the applicable feeder premium rate of pay in his/her Supplemental Agreement.
2. Mileage drivers scheduled for four (4) runs at ten (10) hours a day – When the drivers work on the fifth (5th) punch, such drivers shall be paid the applicable premium rate of pay in his/her Supplemental Agreement for the sixth (6th) day of work.
3. Mileage drivers scheduled for four (4) runs at ten (10) hours a day – When the drivers work on the sixth (6th) punch, such drivers shall be paid the applicable premium rate of pay in his/her Supplemental Agreement for the seventh (7th) day of work.
4. Sleeper team drivers who work on their first (1st) scheduled day off will be paid at the applicable premium rate of pay as a sixth (6th) day of work in accordance

with his/her Supplemental Agreement. Any subsequent days worked thereafter within their scheduled workweek will be paid as a seventh (7th) day of work in accordance with his/her Supplemental Agreement.

A premium service layover and sleeper team driver equals in four (4) days the same benefits as a five (5) day hourly driver.

Hourly work performed at the beginning or end of a mileage run shall be paid at the applicable hourly feeder one and one-half (1 ½) rate of pay or the applicable premium rate of pay in the driver's Supplemental Agreement. This would include mileage runs that may have multiple beginnings and endings at the home domicile.

Subsistence allowance shall cover the cost of showers; however, where practical and when possible, UPS may provide a shower at the destination facility.

The cost of fees for bridges, turnpikes, expressways and weigh stations shall be paid by the Employer.

Each driver will be issued two (2) sheets, two (2) pillow cases, and one (1) blanket each year, provided however, that if a driver requests a replacement set of sheets, pillow cases, and blankets because of the material being worn out prior to one (1) year, such request will not be unreasonably denied by UPS. Laundry service shall be paid by the drivers.

Planned mileage runs must be bid with designated work days and days off (i.e. four-day runs and five-day runs).

Mileage drivers shall be paid the applicable mileage rate of pay for all miles driven.

Each sleeper team driver will receive subsistence allowance of ~~thirty-five dollars (\$35.00)~~ **forty-five dollars (\$45.00)** for every one-thousand (1000) miles driven. Miles driven under one-thousand (1000) each work week shall be adjusted within a thirty (30) day period. For example, three-thousand five-hundred (3,500) miles in a week, five-hundred (500) miles of the total miles driven will be prorated.

In areas where Sleeper Team jobs are currently running or implemented in the future, the parties will meet to develop Sleeper Team Work Rules to address topics not already covered by the NMA or the Premium Services Guidelines. Neither party will unreasonably delay the addressing of Sleeper Team Work Rules.

VACATED SLEEPER POSITION SELECTION

Each Local Union may elect to follow this procedure for the replacement of the senior driver work assignment or continue the practice that presently exists in their Local Union area. In the

7/26/2023

event the senior driver (A driver), of a bid team permanently vacates the team for any reason, the junior driver (B driver), will become the senior (A driver), for that team for the purpose of selection of his/her replacement. The selection will be in accordance with Article 43, Section 2 (1) (a) of the National Master Agreement.
